CERTIFICATE:

JAVA Certification, Codemithra Ethnus, Bangalore

CAREER OBJECTIVE:

I am a motivated and dedicated Java developer with a strong foundation in programming principles. Proficient in Java, HTML, CSS, and SQL, I consistently deliver efficient and reliable applications. I possess strong problem-solving skills and excel in collaborative team environments. My communication and interpersonal skills enhance my ability to contribute effectively to software development projects. I am eager to learn new technologies as needed for project demands.

SKILLS:

- **Programming Languages:** Java, JDBC, Hibernate
- **Front-end technologies:** HTML, CSS
- **Database:** SQL (MySQL)
- **Soft Skills:** Good communication, Team player

INTERNSHIP EXPERIENCE:

Nil-tech Edu Company | Web Developer | Feb-March 2023

Worked on developing a web application for streamlining internal processes. Collaborated with a team of developers and designers to ensure timely delivery of the project.

KODNEST TECHNOLOGIES | Software Development Intern | July 2024

Acquired practical skills in Java, MySQL, and Frontend Technologies. Contributed to real-world projects and learned directly from industry professionals.

PROJECTS:

Employee Payroll System | Role: Developer | Technologies: Java and OOPS

- Developed a comprehensive payroll management system using Core Java and OOPS concepts.
- Designed and implemented modules for employee data management, salary calculations, and report generation.

Portfolio Website | Role: Developer | Technologies: HTML, CSS, and JavaScript

- Built a personal portfolio website using HTML, CSS, and JavaScript to showcase projects and technical skills.

Text Editor | Role: Developer | Technologies: HTML and CSS

- A Text editing website using HTML, CSS, and JavaScript, providing a user-friendly platform for program editing and execution
